Sin dagli esordi alla Scuola Nazionale di Cinema di Lodz, nella Polonia degli anni Cinquanta, Roman Polanski si è rivelato un autore totale, meticoloso creatore di opere cinematografiche di straordinario fascino e spesso di grande successo. Si tratta di film realizzati in luoghi e condizioni produttive molto diversi: dallo stalinismo sovietico all'industria hollywoodiana, passando per l'Europa. Sulla traccia della sua compatta filmografia, il volume ripercorre l'avventurosa vita e la febbrile parabola creativa, affidandosi alle parole pubbliche che lo stesso Polanski ha proferito in selezionate occasioni. A illuminare la sua opera composita e in continua evoluzione, una serie di saggi critici e uno scherzo filosofico. Emerge così - anche grazie alle testimonianze di alcuni collaboratori - la perfetta semplicità con la quale Polanski è riuscito a creare veri e propri mondi paralleli, curando ogni dettaglio del concreto realizzarsi della propria capacità immaginativa.

"Più un progetto si avvicina al mio modello originario, più vale, più diventa un buon film. Immagino delle cose, le visualizzo nella mia mente e se mi danno un forte stimolo a tradurle in un film, è perché le trovo straordinarie. Il desiderio nasce quando riesco a immaginare come sarebbe meravigliosa una cosa se fosse realizzata. Nei miei film mi preoccupa dell'imprevisto e di rendere credibile ciò che è incredibile.

La vita è così, a mio avviso. Non possiamo controllare quello che succederà là fuori."

5/3/2018 · Cosby was found guilty of sexual assault last week, while Polanski raped a 13-year-old in 1977. Directed by Roman Polanski.
