Design nel segno dell'emozione: questo è il senso del progetto Ducati nel racconto degli uomini che hanno fondato l'azienda e di quelli che hanno contribuito nel corso degli anni a far grande il suo nome nel mondo. Accanto alle testimonianze dei protagonisti dell'epopea Ducati, i riferimenti storici, letterari, di costume. Un apparato iconografico illustra i modelli capisaldi Ducati secondo l'ordine cronologico più rispettoso dell'arco evolutivo del progetto. Un testo che racconta la favola di Scrambler, 750 GT, Pantah 500, 851, Monster, Supermono, 916, MH900e e di quelle moto che più significano e hanno significato il progetto Ducati, design nel segno dell'emozione.

All information about our different models of bikes, the racing in MotoGP and Superbike, and dealers.
