Claire, giovane ed affermata attrice statunitense, si reca per una breve vacanza estiva presso gli zii, nel sud della Francia. Il primo impatto con questo nuovo ambiente non è affatto semplice: la vita al "palazzo reale" della zia Kristy trascorre, infatti, ansiosa e frenetica tra feste, banchetti, colpi di scena, inquietudini, ripicche, incidenti, corteggiamenti amorosi e delusioni. Ma sarà proprio grazie a questa serie di colorate esperienze che Claire riuscirà ad indagare a fondo dentro se stessa e a scoprire chi è e cosa cerca realmente nella vita. E sarà ancora Claire a sciogliere, insieme al lettore, alcuni nodi legati ad una drammatica vicenda del passato che incombe misteriosamente sul "palazzo". Questo avverrà attraverso la lettura di un antico diario, ritrovato per caso, in cui passato e presente sembrano fondersi in un eterno ciclo senza fine.
