La ventunenne Claire Leyden ha visto fin troppe cose nella sua giovane vita e, nel tentativo di lasciarsi tutto alla spalle, decide di prendere una decisione drastica e trasferirsi dall'altra parte dell'America, o meglio, come dice sua sorella, nel bel mezzo del nulla. Non vuole avere una vita universitaria spensierata, né farsi degli amici, vuole semplicemente essere lasciata in pace a combattere con i suoi fantasmi a modo suo. Le cose non vanno mai secondo i piani, però, e quando incontra l'affascinante Ashton, che sembra stranamente metterla a suo agio con i suoi modi diretti, i muri che aveva eretto intorno a se stessa nel tentativo di nascondersi iniziano mano a mano a creparsi. Cosa succede, però, quando il passato ritorna a bussare alla porta? Riuscirà Ashton a convincere Claire a lasciar andare il suo passato e a concentrarsi sul presente? O sarà un peso troppo grosso di cui liberarsi?
